### DETAILED ACTION

1. The original patent, or an affidavit or declaration as to loss or inaccessibility of the original patent, must be received before this reissue application can be allowed. See 37 CFR 1.178.
2. The examiner notes that the original patent was requested in an interview held April 13, 1999 and a paper was received May 3, 1999 which stated that it included the original patent however that paper included only a photocopy of the original patent as submitted to start reissue prosecution. As noted above what is needed is the original patent not a photocopy.

### Conclusion

3. This application is in condition for allowance except for the following formal matters:  
the surrender of the original patent.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
